

Affordable Accessibility Solution

Item# F-03EZPL

The EZ Lift is an affordable, manually operated lift designed for residential use. The EZ Lift accommodates pool wall heights up to 16 inches. This feature makes it ideal for both in and above ground applications.

This lift is constructed of stainless steel and protected against corrosion with a durable, powder coat finish. It comes with a mesh sling seat, but other seat options are available.

The EZ Lift comes with a rotation bar allowing the attendant to rotate the lift with ease.

FEATURES:

- 400 lb (181 kg) weight capacity
- Manually operated hydraulic ram
- Clears walls up to 16" (40 cm) high
- Durable mesh sling - standard size: 38"x20" (96 cm x 51 cm)
- Adjustable stainless steel chains
- 5 year structural warranty
- 1 year hydraulic ram warranty
