

**MEDIHONEY®**  
Wound and Burn Dressing

PREPARE

## Advanced Wound Care

Designed to be different and provide a clinical benefit!<sup>4-9</sup>

MediHoney® Wound and Burn Dressings are the most studied brand of medical grade honey for the management of wounds and burns<sup>1-3</sup>

### *Gel*

- Designed to support clinical need, MediHoneyGel combines 100% Active *Leptospermum* Honey with natural gelling agents
- Offers a more viscous formulation with increased stability
- Designed for superficial to full thickness wounds and burns
- For lightly to moderately exuding wounds

### *Paste*

- 100% Active *Leptospermum* Honey
- Designed for deep tunneled or undermined wounds and burns
- For lightly to moderately exuding wounds

MediHoney® – Committed to bringing you quality, versatility and innovative solutions for your patients' care throughout the continuum.
