

A refined design. An economical choice.

InnoSpire Essence compressor nebulizer system

When cost is a primary consideration, choose InnoSpire Essence. Essence, part of the InnoSpire family of compressor nebulizer systems from Philips Respironics, provides fast and efficient aerosol drug delivery in a compressor nebulizer system that's priced right.

Combined with proven SideStream technology, Essence is compact, lightweight, and economical. Its stylish design incorporates a handset docking station, filter and power cord and blends gracefully into the home environment. It is covered by a 5-year warranty and is compliant with the international safety and essential performance standard IEC 60601-1 third edition and its amendments.

SideStream disposable and reusable nebulizers

Essence works efficiently with SideStream nebulizers that feature an active venturi system and provide air flow in addition to that supplied by the compressor, resulting in faster drug delivery and shorter treatment times. They are easy to use with fewer parts to assemble or clean than other conventional nebulizers. SideStream's unique design provides consistent delivery of medication time after time.

Venturi system provides a faster delivery rate resulting in shorter treatment times than other conventional nebulizers

Product specifications	
Weight	3.3 lbs
Size	4.2" x 6.5" x 6.5"
Electrical rating/power	120V/60Hz, 1.7 Amp
Nebulization capacity	8 ml
MMAD	(80%) <5 microns
Treatment time	5-7 minutes
Maximum pressure	44 psi
Maximum flow rate	9.4 LPM
Operating flow rate	7 LPM @ 10 psi
Mode of operation	Intermittent (30 min. on /30 min. off)
Warranty	5 years
